

August 4th, 2021

In what is truly something of a historic collaboration, the Coniston Curling Club, the Copper Cliff Curling Club and Curl Sudbury will join forces, in a partnership with both the City of Greater Sudbury and Curling Canada to offer an incredible two week stretch of curling in March of 2022.

Fresh off the heels of the 2022 Olympic Winter Games in Beijing, China, Sudbury will welcome the best curlers in Canada as well as our next generation of curling stars to the Gerry McCrory Countryside Sports Complex, March 15th to the 27th, 2022.

The best athletes from across our country will be competing on the pebbled ice in the Mixed Doubles Championship, the USports University Championship and the CCAA College Championship.

With the hype of the Olympic Games still in full swing, interest in curling is expected to be as high as ever. Commitments for ticket packages will be accepted late this fall.

As you can imagine, competitions of this magnitude require many volunteers in order to succeed. To ensure that we are able to host a world-class, standout event, we are looking for your help. More information regarding volunteering opportunities will be released in the near future.

It has been a long time since we've been able to enjoy all the aspects of a live sporting event, and an even longer time for a national curling event to return to the Nickel City. This is our opportunity to bring the curling community, as well as the entire community of Sudbury together for an exceptional 2 weeks of curling.
